

INVITATION TO SEMINAR

AT STOCKHOLM INTERNATIONAL HEARING CENTRE, STRANDVÄGEN 7 A STOCKHOLM

18.00 – 20.00 ON 21 MARCH 2013

- THE LIABILITY OF ARBITRATORS-

In both domestic and particularly international arbitration, increasingly parties are seeking to hold the arbitrators liable in connection with their performance in the arbitration. The potential liability of an arbitrator raises complex issues under the applicable institutional or ad hoc rules, the law of the seat and other possibly applicable laws. It also poses questions as to the status of the arbitrator in comparison to a state judge, the definition of the arbitrator's rights and duties, and the consequences in the event of a breach of duty. Finally, liability of the arbitrator gives rise to questions of immunity, exclusion of liability and insurability.

The SAA hereby invites its members to an evening seminar on the liability of arbitrators. The seminar will focus on the liability of arbitrators in Sweden and other major arbitral venues; limitations of liability foreseen in institutional rules and arbitration laws; and the opportunities available to arbitrators in connection with potential liability.

The seminar will be lead by:

- **Claes Zettermarck**, Of Counsel, White & Case, Stockholm
- **Jean Claude Najar**, International Counsel, Curtis, Mallet-Prevost, Colt & Mosle, Paris
- **Henrik Rydén**, VD JLT Risk Solutions, Stockholm
- **Robin Oldenstam**, Partner, Mannheimer Swartling, Stockholm, who will act as moderator

The seminar will be followed by a drinks reception starting at 20.00.
